Only TEMPEST gives you these standard features:

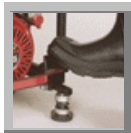

Effortless, Retractable Handle

One-hand extension makes transporting to and from the PPV site easy.

Turbo-2000 Shroud/Front and Rear Safety Grills

New shroud design dramatically increases performance while precisely spaced grills meet European safety standards.

Winning Step Tilt

Patented, 5-position, foot-operated mechanism allows for precise tilting of the shroud.

Optional Off-Road Balloon Tires

9□ tires make movement over rough terrain smooth and effortless.
